HOLIDAY DESIGNER SHOWHOUSE A HUGE SUCCESS!

The Landings Company introduced its first “Home for the Holidays” Designer Showhouse in 2009 to benefit Savannah’s Community Health Mission, a local agency that provides free healthcare for the uninsured. This was the first time The Landings Company took on a project of this scope, and by all measurements, it was a spectacular success!

Six designers transformed an empty million-dollar house into a warm, chic, and festive holiday home. And members of The Landings Art Association displayed their work in the second floor recreation room ... with a few pieces selling to visitors! Hundreds of Landings residents, guests, and folks from Savannah and Hilton Head came to visit the home and while here, get a glimpse of our community! In the process, a very respectable contribution was made to the Community Health Mission!

You can go to the Landings Company YouTube channel to see a video of each room’s progression from empty to stunning. Just log onto to www.youtube.com/TheLandingsCompany and click on “37 Little Comfort”.
