Just Look at Some of the Neat Things You Could Be Doing Here at The Landings!

We wish you were here to enjoy some of the upcoming activities on "our island!"

FITNESS 101 - The Fitness Center Staff has just introduced a new "Fitness 101 Class" to help residents become educated and independent exercisers. This class will enable folks to set up their own exercise routines and progress at their own rate. The class will also include nutritional information, a variety of exercise classes, lectures on many key aspects of fitness and a personal training session.

LEARN TO KAYAK! - Kayaking classes are now being offered at the Fitness Center Indoor Pool. Classes will include: Intro to Kayaking, Choosing the Right Kayak, Gear Essentials, Tides & Weather and Safety & Rescue. These classes will prepare kayakers for fun on the Intracoastal Waterway and other waterways surrounding "our island."

FOR NATURE LOVERS - The Landings will be holding a unique community-wide event on May 16th in conjunction with the Center for Wildlife Education. The program will feature a Master Falconer presenting in-flight demonstrations. After the Flight Show, the handlers will be available to show off the wildlife that have brought...from eagles to owls and lizards to snakes. The event is a perfect way to spend an afternoon and will take place on The Landings athletic field.

GREAT SUMMER ACTIVITIES FOR THE KIDS - The Landings has introduced a junior Tennis Academy ...that will be held at our Franklin Creek Tennis Center. This summer program will offer an energetic atmosphere for kids to learn new tennis skills, rules and fun games on the tennis court!

The tennis program will be complimented by our Junior Golf Schools - both beginner and advanced. These golf "camps" will include a video analysis on the full swing and short game, Body Motion Vest technology, drills and games, course management skills, tournament preparation and golf psychology. During the camp, participants will also receive an instruction manual, personal swing CD and special golf book.

DINING AT THE CLUB - EUROPEAN STYLE - The Landings has made it even more pleasant to dine at the Plantation Clubhouse by introducing "The Gathering Table," a European dining concept. We expect that members who are permanently or temporarily without their partners, couples new to The Landings wishing to meet others, and those who wish to dine at the club, but do not enjoy eating alone will take advantage of the new offering.

ANNUAL SPRING ART SHOW - The 22nd Annual Spring Art Show with a gala opening reception on April 30th will be held at The Landings. Over 110 artists from the Savannah area will display their artwork May 1-8. This Spring Art Fest will conclude with "Art in the Park," a show and sale May 9th.

SAVANNAH TRIVIA:
